

KAMVA MATWASA

SOFTWARE DEVELOPER

0633682496 | kamvamatwasa@gmail.com | 85 Dorothy Nyembe, Durban, 4001

PROFESSIONAL SUMMARY

I am a Software Developer with hands-on experience in designing, developing, and maintaining web and desktop applications using C#, ASP.NET Core, and SQL Server. I have skills in both front-end and back-end development, along with a strong background in database design, optimization, and management. I have experience working in an agile environment, using structured problem-solving skills and collaborating well with various teams. I am committed to delivering reliable, efficient, and user-friendly software solutions that meet organizational goals.
